Verification Type

A donut chart titled 'Verification Type' showing the distribution of verification status. The chart is divided into two segments: a large blue segment representing 'Blue Verified' at 91.67% (11 out of 12) and a small dark blue segment representing 'Unverified' at 8.33% (1 out of 12). A legend to the right of the chart identifies the colors: a blue circle for 'Blue Verified' and a dark blue circle for 'Unverified'.

Verification Type	Count	Percentage
Blue Verified	11	91.67%
Unverified	1	8.33%

Predicted Next Stock Volume

133.18M

Account Type

A donut chart with a single blue segment representing 100% of the data. The segment is labeled '12 (100%)' at the bottom. A legend to the right shows a blue dot for 'Established Accounts' and a dark blue dot for 'New Accounts'.

Account Type	Count	Percentage
Established Accounts	12	100%
New Accounts	0	0%

Actual Next Stock Volume

94.19M

Influencer Type

A donut chart titled 'Influencer Type' showing the distribution of two categories. The chart is a solid blue circle, indicating that the 'Influencer ...' category accounts for 100% of the data. A legend to the right of the chart identifies the blue color with 'Influencer ...' and a dark blue color with 'General P...'. Below the chart, a bracket points to the blue circle with the text '12 (100%)'.

Influencer Type	Count	Percentage
Influencer ...	12	100%
General P...	0	0%

Average Favorite Ratio

0.00 0.00 0.01

Average Reply Ratio

A gauge chart with a semi-circular arc. The arc is divided into two segments: a blue segment on the left and a grey segment on the right. The value 3.48 is displayed in the center of the arc. The numbers 0.00 and 6.97 are positioned at the left and right ends of the arc, respectively.

Metric	Value
Average Reply Ratio	3.48
